- 3.9.- Security
- 3.10.- Press Relations
- 3.11.- Transportation
- 3.12.- Relatives of Casualties
- 3.13.- Visitors and General Public
- 3.14.- Blood Donors

#### **4. INTERNAL DISASTER PLAN**

- 4.1.- Purpose of Plan
- 4.2.- Initiation of Plan
- 4.3.- Notification of Personnel
- 4.4.- Incident site
- 4.5.- Partial evacuation
- 4.6.- Total evacuation
- 4.7.- Evacuation procedures
- 4.8.- Designated Temporary Treatment Facilities
- 4.9.- Transportation of evacuees

## 5. SPECIAL RESPONSIBILITIES OF UNITS/PERSONNEL

- 5.1.- All Units
- 5.2.- Clinical Operations
- 5.3.- Housekeeping
- 5.4.- Housekeeping
- 5.5.- Laboratory Unit
- 5.6.- Maintenance Unit
- 5.7.- Medical Records/Accounts
- 5.8.- Medical Stores/General Supplies
- 5.9.- Mortuary Services
- 5.10.- Nursing Unit
- 5.11.- Operating Theatre
- 5.12.- Pharmacy
- 5.13.- Social Services
- 5.14.- Medical Imaging Unit
- 5.15.- Dialysis Unit

## 6. AIRCRAFT INCIDENT PLAN

- 6.1.- Warning
- 6.2.- Disaster Plan

## 7. EARTHQUAKE PLAN

- 7.1.- Action during an earthquake
- 7.2.- Action after an earthquake

## 8. FIRE PLAN

- 8.1.- Discovery of fire
- 8.2.- Action when fire is discovered
- 8.3.- Evacuation

## 9. HURRICANE PLAN

- 9.1.- Pre-Hurricane Preparedness
- 9.2.- Bulletins
- 9.3.- Action during Advisory
- 9.4.- Action during Watch
- 9.5.- Action during Warning
- 9.6.- Action during Hurricane
- 9.7.- Action after Hurricane

## PART VI: Community Health Response Plan

### PREFACE

#### 1. INTRODUCTION

- Definition of Disaster

Purpose of the Community Response Planning Committee

## 2. ADMINISTRATION OF SIASTER PLAN

Community Disaster Response Planning Committee  
Functions of Disaster Response Planning Committee  
Initiation of Community Response Plan  
Alert Cascade

## 3. PRE-DISASTER PREPARATION

Training  
Supplies and Equipment

## 4. TRIAGE

## 5. RESPONSE FOR SINGEL ZONE DISASTERS

Definition of Single Zone Disaster  
Action on Receiving alert  
All Zones  
Zone 1-3  
Zone 4  
Zone 5  
AMP Considerations

## 6. RESPONSE FOR TERRITORY WIDE DISASTERS

Definition of a Territory Wide Disaster  
Action on Receiving Alert  
AMP Considerations

## PART VII: Procedures

Waster Disposal  
Mental Health  
Epidemiological Surveillance  
Public Information  
Transportation and Communication  
Processing of the Dead  
Damage and Needs assessment in Communities  
Rehabilitation of Health Programmes and Services  
Request for International Assistance  
Request for National Assistance

## PART VIII: Recovery

### 1. Public Health Procedures, Roles and Responsibilities

## 2. Recovery Management at Territorial Level

Roles of the Office of Disaster Preparedness

Damage Assessment and Mitigation Sub-Committee

Health Facility Assessment (Private and Public) and Post Disaster  
Assessment of Other Health Units

## 3. Recovery Management at Community Level

Support Agencies

## 4. Public Health Department Procedures, Roles and Responsibilities

Procedures for Public Health (Recovery)

- A. Briefings and Debriefings
- B. Communication and Information Delivery
- C. Counseling
- D. Evaluation
- E. Exposure Registry
